Generic

Custom Single-Color (Red or Blue Only)

Custom Black and White

Custom Full-Color (Picture Merge Shown)

Additional Services

Name or Picture Merge
Add custom names and photos to badges.

Hole Punch/Badge Clip
Pre-punched holes and optional snap clips for each badge.

Custom Encoding
Custom numbers printed directly onto individual cards.

Add-On Products and Accessories

PrintReader sold separately with certain hardware.
FlexClock items are for specified devices only.

ACCESSORIES AND ADD-ONS – CALL FOR PRICING

Badge Rack

Protect your badge cards from bending, damage, general wear and tear, or getting lost with a durable steel 40-card badge rack.

Wireless Phone Jack (TimeClock 330/380)

Enables a TimeClock to be located in a building where a phone line is not accessible (Analog) by creating an additional phone port.

TimeClock 330/380 Punch Extraction Kit

Used to extract punches from a TimeClock that is unable to transmit over the phone. Requires PC. Includes cable and instruction CD.

PrintReader for TimeClock/FlexClock

Add a PrintReader unit for biometric fingerprint punching. (Check specific hardware models for compatibility)

Automotive Power Inverter

Power your time clock from a standard automotive 12-volt cigarette lighter outlet.

Badge Swipe Cleaner (TC 330/380, Z14, Vx610G)

This presaturated disposable cleaning card removes dirt, magnetic oxides, lotions and other contaminants from all types of card readers.

Badge Card Clip and/or Hole Punch

Add a badge card clip to employee time cards.

Bell Relay Kit (Z18)

The Bell Relay Kit allows your Z18 timeclocks to activate a 3rd-party bell/alarm system at user-defined intervals

TimeClock Outdoor Case

Use an outdoor case to protect your time clock in locations where they may be vulnerable to harsh conditions. Available with or without fan.

Mag-Stripe & Proximity Cards (Call for pricing)

Take advantage of custom full-color, custom single-color, custom black and white, generic, encoded, mag-stripe and "Mango" proximity cards.

Key Fobs (Z11, Z14) (Call for pricing)

Two different key fob options are available. Black leather or blue plastic. Punch IN/OUT with one quick swipe.

Power Over Ethernet Converter (POE)

POE module obtains power from a standard Category 5 Ethernet cable which meets IEEE 802.3af standard. Two pairs of input in built-in module.

Battery Backup

Provides uninterrupted power or in the event direct power is not available, the 12V (or5V) Mini-UPS Battery Backup ensures you remain operational.
