

# TimeWorksPlus<sup>®</sup>

## Integrated Timekeeping Solution

Tracks employee hours to the minute so you don't have to.

- ✓ **Timecard Approvals reduces time & labor disputes**
  - Records & stores approvals (employee, supervisor, manager)
  - Improves accuracy of auditable timekeeping data for compliance (DOL, FLSA, ACA, PBJ)
- ✓ **Accruals calculate paid time-off balances**
  - Reduce admin time & errors
  - Records PTO on timecards & updates balances
- ✓ **Employee Self-Service empowers employees**
  - Submit time-off requests & approve time cards
  - View timecards, schedules, PTO balance, & more
- ✓ **TimeWorksPlus mobile app simplifies timekeeping**
  - Punch in/out from anywhere (PinPoint GPS location data)
  - View timecards, submit time-off requests & more

**TimeWorksPlus – ensures accurate timekeeping records, shortens your payroll processing time & improves compliance.**
